

Get Technical!

Using technology to Plan, Organize, and Write: Inspiration Software Course

This group aims at helping 6th-12th grade students use and become better accustomed to working with today's technology. Each class consists of 3-6 students.

This course is open to **6th– 12th grade students** and will start **February 11th**. It will be held on **Saturdays** at **10:00-11:30** or **12:00-1:30**. Each course consists of **2 consecutive Saturdays** for a total of 3 hours of training and costs \$200.

Our groups are **individualized** based on the needs of each child. **Specific goals** are set for each child depending upon their specific difficulties. We appreciate **parent involvement** and **feedback** throughout the course.
