

MORRISSEY-COMPTON EDUCATIONAL CENTER EXECUTIVE FUNCTION BOOT CAMP

Enroll now! Space is limited!

We are very excited about our next Executive Function Boot Camp for **high school** students starting **June 20, 2017** (see schedule). Please note the time lapse between dates is intended to allow students the opportunity to practice the executive function skills in real time, i.e., school and to design and produce his/her boot camp projects.

Each session is two hours in length, they focus on developing and applying the following **six executive function skills** of: (1) time management; (2) planning & prioritizing; (3) organization; (4) working memory; (5) metacognition; and (6) goal-directed persistence.
